PRESIDENT'S MESSAGE

by Bob Kleinberg

It is with the deepest of regrets and the heaviest of hearts that I must announce the passing of one of our clubs longest serving members, Dave Datri died on Saturday May 4th. Dave was extremely active in the Men's Club serving as coordinator of the Newsletter advertising and on the Kitchen Crew. He greeted everyone he saw and was the first to help out where needed. He was a friend to all and an enemy of none. He was truly one of the good guys. All of us who knew him will miss and never forget him. Our condolences to Barbara and the entire Datri family.

I can't believe that its been a year since I announced the change in our structure, morphing from the CB Men's Club to the CB Residents' Social Club, and what a year it has been; our membership has grown from some 50 men to 113 men and women and our Board of Directors from 7 to 12 with the addition of five women. We held three dances and the most successful New Years Eve Gala in the history of Covered Bridge. We had a successful Olympics and a closing luncheon and also held a free Hot Dog Night. We restarted having events at our Breakfast

CITIZEN OBSERVER PATROL

by Arnold Dickerman

As this CB Residents' Social Club Newsletter takes a summer hiatus, with this June issue and will resume distribution in September however the COP Program never takes a holiday. We recently added a 5th volunteer and while this is great news, we remain in need of additional volunteers so that we can have increased patrol coverage. Our friends and neighbors who volunteer to drive 3 hours per week in order to create a sense of security and safety for Covered Bridge are: Arnie Dickerman, Rita Kellar, Mukund Nathan, Bruce Baron and our newest member Dru Kanagaraja. The Sheriffs Department statistics consistently report that a community that has a COP Unit patrolling its 'area is less apt to experience criminal activity. If you feel that you could use a worthwhile activity outside of your own residence while performing a satisfying 3 hour patrol please consider our program. Please contact Captain Richard Lassman by email: lassman@P-bso.org Thank you Until next time

COVERED BRIDGE PRESIDENT'S MESSAGE

by Rebecca Goodman

Very soon residents at CB will see a lot of activity outside. Cutters Edge will begin the hurricane trimming which includes much more **this** year. They will remove some large trees around the lake and perimeter path that are a danger to power lines and/or residents' buildings and walkways (we also have a couple of dead palm trees). Inspecting court by court to remove trees growing close to buildings and trimming branches away from the roof. Inspecting & removing overgrown gardens areas. We have 67 courts, therefore it will be an ongoing project and will take months to complete. If we do not get to your court quickly, be patient, we are coming. If you see something that needs **attention immediately**, please put in a work order. This is kinda my pet project and I want to move it along as quickly as possible.

We would like to ask our residents to get *(continued on page 4)*

PRESIDENT'S MESSAGE (from page 2)

Meetings, having Palm Beach County Mayor Gregg Weiss and Palm Beach County Supervisor of Elections Wendy Sartory Link as well as singer J.D. Bell.

And next season should be even better with a Halloween Dance; Winter Dance, New Years Eve Gala, Valentines Day Dance and St. Patrick's Day Dance. We also hope to bring your more speakers and entertainers to our Breakfast Meetings. As you can see a very busy season and we could use your help.

Volunteers are most welcome and needed to pitch in with the events and happenings. It's more fun when you participate so come on board.

As of this writing we are taking the summer off so we will not have a Newsletter until September nor a Breakfast Meeting until October. We hope to come back with a bang and if there are any changes to our schedule check the weekly blast put out by our manager Will Gonzalez.

On behalf of the Resident's Club, I wish all fathers, members or not, a very happy Father's Day and I wish all our residents, snowbirds and year rounders alike a safe, happy and healthy summer.

*Club President,
Bob Kleinberg*

C. B. PRESIDENT'S (from page 3)

involved with the Board. We need volunteers to work on a couple of committees (such as Architectural Committee, Fining Committee and working on organizing old records we must maintain). If you think this is something you would like to do, please call the office and leave a message and we will get back to you. Who knows what else will arise. You want a beautiful and functioning community, help us. Some of you have been here for years and know what needs to be done.

Betty and I (with help from our staff) have been spring cleaning the club house. We found boxes and boxes of "old" records from 30 - 40 years ago stuffed in closets I did not know existed. All of those records that were not required to be saved have been shredded. Our next project will be to gather all the Minutes from various storage closets and organize them into one room to keep FOREVER. That is mandated by 718. (Here we are, another committee..lol)

I want to re-start the Court Coordinators. This is really important that we have communication (continued on page 5)

C. B. PRESIDENT'S. (from page 4)
to our residents during hurricane season. We need eyes and ears for anyone who may need help. Wouldn't it be nice to know who might need a ride to the grocery store. A small favor can mean so much and shows kindness to your neighbor. I will send out an email to the coordinators I have on file and you will see an email from Will giving date and time of next meeting.

In regard to our neighbors who have special needs, please register with the office so we have a list before hurricane season.

As you can see, the Board has been busy. You may not see us and think we are home sitting on the couch, but take it from me, that is not the case. It takes time to undo 40- 50 years and bring us into the year 2024.

We will not have another newsletter until September. There will be events at the Clubhouse for Memorial Day & 4th of July. See you there.

~ Rebecca

Recreation Committee News

by *Carrie Dwyer*

Thanks so much for joining in on the FIRST FRIDAY of the month coffee get together! We're doing it again (and testing for 6 months). Stop in and say 'hello' to whatever neighbors are there that day! It's the First Friday of the month, 10-12pm June 7th.

..... yippee! it's finally National Donut Day!! We'll have something sugar free too. Please drop over, I'm hosting this one with Margy, Ann, and Daglind and we'd like to say hello, and get you a coffee and chat a bit. If you are new here, or don't usually come to events, I especially invite you to wander over and say hello to me (Daglind and I probably met you at Orientation).

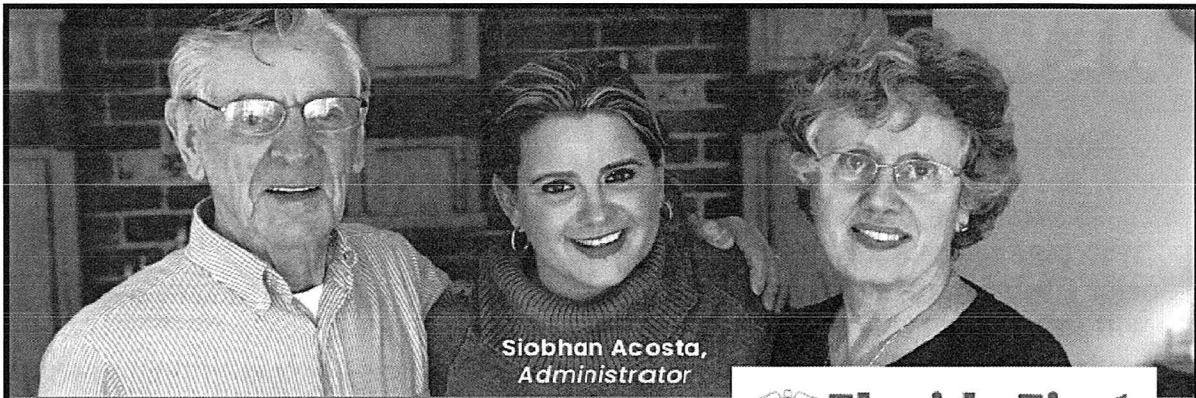

Something different coming your way when we bring PBSO (Palm Beach Co. Sheriffs Office) here to speak about their Service Dogs! Yep, they are bringing a dog along as well. The CANINE CORPS speaker will be presenting on Thursday June 13th, 6:30pm. Gayle and Susan are facilitating this one for us, and our Rec team looks forward

to seeing you, so get it in your calendar. How do they pick what dog will get in, what's the training?? ... we'll see you there, you're welcome to bring a friend.

Are YOU talented? Sing, like making costumes, acting in a skit, make a playbill, play an instrument, do readings?? We'll, keep on reading then! We are pleased to announce a group within the Rec Committee forming and calling 'the C B R e s i d e n t ' s P l a y h o u s e '. Join in the fun they're going to make! Meeting at clubhouse June 15, at 2pm, Shelly is coordinating, and available for questions 561-281-3359, or Nellie at 732-598-7942

We're behind the scenes working on a few more things, L-C-R game, a great Trivia hosted by Ira in August, a Horse Race game, a speaker on Medicare plan choices in October to help you plan, and make smart choices, a Palm Beach county Agency on Aging speaker is coming in September to share what's available to county residents, maybe a Valentines Brunch, confirming an evening with a Psychic in Jan., and again the Tree Lighting and Hanukah receptions AND-the planning
